How to submit a manuscript to Redfame journals

I. Find a journal

Please visit Journals List to review journal’s aims and scopes and then select a suitable journal for your manuscripts.

II. Prepare your manuscript according to Redfame guidelines

You may refer to the following guidelines to prepare your manuscript.
- Paper Submission Guide
- Paper Template
- Title Page Template

The above files can be downloaded at http://home.redfame.com/author-guide/

III. Submit your manuscript

We strongly encourage you to submit manuscripts online. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal website.

a. Online submission

Go to journal’s website – Click “REGISTER” in the navigation bar– Then Complete the required information (Be sure to register the role of “author”):

After register and login, you may find the role of “Author” below the Journal Title

This is a step-by-step guide to submit your manuscript in Redfame Journal.
Click “Author” to start a new submission. Then you enter into the five step submission process. After you click “Finish Submission” in Step 5, be sure to click “Active Submission” subsequently.

The online submission has been finished. The “Submission Acknowledgement” letter will be sent to your email automatically. If you do not receive e-mail in your 'inbox', check your 'bulk mail' or 'junk mail' folders.

If you are still confused with the online submission system, please click the Tutorial below to watch the video.

Tutorial for online submission

b. Email submission
If you cannot access to the journal’s website or cannot receive the “Submission Acknowledgement” letter after online submission. Please send your manuscript as attachment to the following email:

<table>
